Notices and Information to Share:

1. SAMR Model: What level of use are the apps and programs most used for teaching?

- <https://www.emergingedtech.com/2015/04/examples-of-transforming-lessons-through-samr/>

- Should we do complete a survey of applications/programs used to determine how far we are reaching beyond substitution level?
2. SBAC Testing: Rich will work with you and building principals on scheduling. We will not be moving carts between schools.
 3. Special Education- Sub Committee working on Assistive Technology
 4. OCEAN has a loaner laptop through school counselor, Kirsten Bledsoe. The High School also has a loaner program through the school library.
